

# LuxCMA No-Show Policy: A Commitment to Respect and Responsibility

*This policy aims to promote a culture of responsibility and respect within the LuxCMA community by encouraging responsible no-show practices. It seeks to optimise resources, ensure fairness and support meaningful engagement.*

## What is a no-show?

A no-show occurs when a registered attendee fails to attend an event without prior notice or valid reason.

## RSVP Expectations

Confirm attendance by the RSVP deadline specified in the invitation.

**Unable to attend?** Let us know as soon as possible, but **at least 48 hours before the event.**

*Emergencies and unforeseen situations are understandable, but we strongly encourage timely communication.*

## Impactful use of fees

All no-show fees collected will be donated to a LuxCMA supported charity.

This approach ensures that missed commitments are turned into meaningful contributions to the community.

## Our commitment to excellence

This policy ensures that events remain accessible, well-attended and meaningful for all involved. For questions or cancellations, please email [events@luxcma.lu](mailto:events@luxcma.lu).
